

ALKALINE WATER *filter*

REVITALIZE YOUR WATER

The human body is composed of 70% water. We maintain a healthy balance through what we eat and what we drink. Alkaline water is absorbed by the body faster than tap or bottled water, and it helps to provide the body with needed hydration. The more hydrated you are, the better and healthier you will perform every day.

- Increase your water pH to 7.0 or above
- May aid in the fight against free radicals in the body
- Better overall hydration
- Helps boost your immune system
- Provides great tasting water
- An all-natural option for alkaline water
- No ionization

The Purearth2o 400 Alkaline Water Filter is an inline filter which will actively increase your water's pH for overall wellness and to aid in the fight of specific health deficiencies. The Alkaline Water Filter is an economical and effective solution.
